10/31/2007
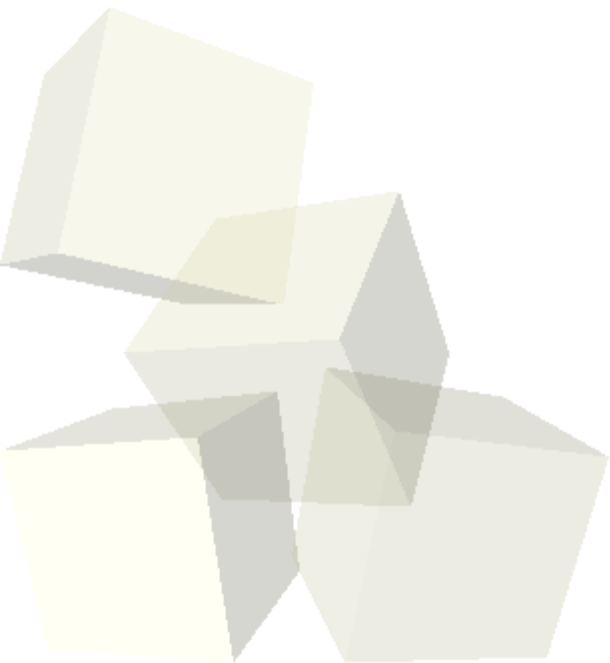

- Do you have any questions about the quiz?
- Let's look at solutions to the interclass problem.

- Today we are just going to write some code.
- Making ragged 2-D arrays with dynamic memory.
- Parsing a formula string with a recursive function.

- What are you doing to celebrate Halloween? Are you going to be a ghost?
- There is no class on Friday.
- Interclass Problem – Problem 39 on page 659.
