Show Your Code

2/25/2009

Opening Discussion

- What did we do last class?

Show Your Code

- Let's look at people's code for the interclass problems.

Review

- There is a review sheet posted on the web page. Let's take a minute to go over it.

Minute Essay

- Do you plan on attending a study session? If so, which one? (Both is also a valid answer.)

- Just so you know, the TA will be running the review session Wednesday.

- The midterm will be next class.
