Show Your Code

4-16-2010

Opening Discussion

- What did we talk about last class?

Show Your Code

- Let's look at people's code.

Typing in Notes

- We are REALLY close to having it so we can type in notes. We just need a few more lines of code in the different cases of our if statement and an extra line in the paint method.

Minute Essay

- Next week we will animate our applets. Do you have any suggestions for what we should animate?

- Project ideas are due on Monday.
