

Slide 1

Administrivia

- Reminder: Homework 4 due Tuesday. Sample solution available when you turn yours in.
- Reminder (as if you need one): Midterm Tuesday.

Slide 2

This and That

- (Finish discussion from last time of recursive definition of quotient operation.)
- (Review quicksort and mergesort and why they work?)

Midterm — Things to Review

- Review sheet on Web lists topics and format/rules.
- Probably advisable to look over all homework problems (sample solutions in hardcopy), minute-essay questions (answers online), and quizzes (answers online).

Slide 3

Minute Essay

- None — quiz.
