You are being contacted on behalf of NBC Universal and its affiliates ("NBC Universal") because your Internet account was identified as having been used recently to illegally copy and/or distribute the copyrighted NBC Universal motion picture(s) and/or television show(s) listed at the bottom of this letter. This notice provides you with the information you need in order to take immediate action that can prevent serious legal and other consequences. These actions include:

1. Stop downloading or uploading any motion pictures or TV shows owned or distributed by NBC Universal and/or its affiliates without authorization; and
2. Permanently delete from your computer(s) all unauthorized copies you may have already made of such films and/or TV shows.

The illegal downloading and distribution of copyrighted works are serious offenses that carry the risk of substantial monetary damages and, in some cases, criminal prosecution. Copyright infringement also undoubtedly violates your school's policies governing acceptable use of campus network resources and could lead to serious disciplinary action.

A motion picture industry website, www.respectcopyrights.org, offers step-by-step instructions to ensure that your Internet account is not being used to violate the copyright laws. The site also can point you to an array of legal choices for enjoying movies and TV shows online. You can also learn there how movie theft damages our economy and costs thousands of Americans their jobs, thereby reducing employment opportunities for new graduates.
