

# Finishing Drawing

10-25-2010

# Opening Discussion

- Minute essays
  - Are you locked into your design?
  - Are there benefits to different import styles?
  - Animating images.

# More Torture

- I want to turn our Student Torture program into a real game.
  - Make Students flee from DrLewis if he is too close and otherwise just stand.
  - Put in walls that Students can't cross.
  - Objective of the game is to herd students into classroom.

# Minute Essay

- What questions do you have about drawing?
- What should we do next? I was planning on doing spreadsheets next.
