

Writing the Notepad

11-17-2010

Opening Discussion

- Minute Essays
 - How long does it take to adjust to Eclipse?
 - If Eclipse seems easy to you, it will probably stay mostly that way.
 - Opening a workspace and having no projects/classes.
 - What is the serialVersionUID?
 - What is under the far left panel in Eclipse?

Sliding Notes

- We need to make it so that we can drag the notes around with the mouse.

Typing in Notes

- We want to add code into the `keyTyped` method that will record our typing and add notes when we hit Enter.

Minute Essay

- Next week we will animate our applets. Do you have any suggestions for what we should animate?
- Show your code on Friday.
- Project ideas are due next week.
