Opening Discussion

- Minute Essay comments
 - Are most optimization problems like MST? Do all optimization problems use nested for loops?
 - How to optimize MST.
 - Optimization when human opinion is a factor.
 - Doing other optimization problems.
- Let's go back over the code from last class real quick. Hopefully everyone has looked at it some since last time. (imports and flow)

Show Your Code

- Let's go over people's code for the interclass problems.

Minute Essay

- We have now seen our first optimization problem and we have looked at processing spreadsheets. I was planning to do some text processing next week. Now that you know what some of these things look like, what do you want to see in the other four weeks we have left?
