Show Your Code

4/3/2009

Opening Discussion

- Minute Essay comments
    - Locations of files. Searching for files.
    - When you start dreaming about code, it means I have succeeded.
    - Quiz can cover anything since the midterm.
    - Can you format an HTML page with code?

Show Your Code

- Let's go through and look at people's code.

Minute Essay

- Have any slick ideas for spreadsheets? What about other things? If I don't get other ideas, I plan to do shortest path type optimization next week.

- As always, any questions or comments can be put on the minute essay.
