

Using Case Classes

10-22-2010

Opening Discussion

- Interclass problem solutions.
- Do you have any questions about the assignment?
- Nature of college classes.
- Seek help when confused. Suggestions for finding me.

Pokemon

- Today all I have for us to do is to work on our code for the Pokemon.
- We need to finish the case classes to describe them.
- Then we should write functions for saving and loading as well as the other things you should do with Pokemon.

Minute Essay

- Do you have any questions about how/why we group data together?
- Assignment #4 due Monday so no IcP.
