

Finishing BSTs

3-23-2012

Opening Discussion

- Minute essay comments:
 - Types for if/else and null.
 - Unbalanced trees.

Coding

- I want us to finishing coding the BST based mutable map together.
- Any remaining time could actually be spent on the drawing program.

Minute Essay

- Do you plan on taking Functional next semester? (This is recommended for majors.)
- Remember to turn in assignment #2.
